## PROFESSIONAL EXPERIENCES

### Web Dev Intern

**Salt Lake Community College**|Apr 2023 - May 2023

Successfully completed an internship project, where I earned my Full Stack Web Development Certificate.

- Developed a website from scratch using HTML, CSS, Bootstrap, JavaScript, PHP and MySQL.
- Wrote and tested JavaScript code to implement interactive features to enhance user experience.
- Created and managed databases using PHP and MySQL to store and retrieve data, and integrated them with the website to deliver dynamic content.
- Utilized Bootstrap to create a modern responsive website.

### Software Technical Support

**Weave**|Nov 2022 - Present

Provide technical assistance to customers by identifying and troubleshooting software issues related to their applications, systems, or networks.

- Utilizing API tools and other software diagnostic tools to identify the root cause of problems, and suggesting solutions to resolve them.
- Perform network administration tasks, such as rebooting networks and resetting passwords to ensure smooth functioning of the software systems.

### Roadside Specialist

**Tesla**|Nov 2019 - Sept 2022

Provided roadside assistance to customers dealing with various issues such as flat tires, lockouts and vehicle malfunctions.

- Successfully troubleshooted software related vehicle problems for fast resolution.
- Effective coordination of tow providers to ensure a timely arrival of services.
- Consistent delivery of exceptional customer service leading to high satisfaction rates.
